Dialogue

## Lived Experience, Inter-Disciplinary Knowledge Production and Critical Reflections in an Age of Uncertainty

Discussants: Guobin YANG, Changwen CHEN, Shengjun LIN, Jack Linchuan QIU

Translators: Changwen CHEN, Shengjun LIN, Jack Linchuan QIU

---

### Abstract

Humanity is in jeopardy. International conflicts, economic upheavals, wars, diseases, racism, and xenophobia are inflicting untold harm on ordinary people, the poor, and minorities. How will communication scholars respond? In this conversation, we argue that, more than ever before, communication scholars ought to engage these fateful issues in their research. Furthermore, our critical analysis will be enriched and strengthened, not softened, by infusing it with an
